# TESTIMONIALS

These are just a couple of examples of the many positive pieces of feedback we have received at the Hotel for our wedding receptions and the originals are available on request.

“We searched and researched extensively to find our ‘right’ wedding venue. We found The Norfolk Arms to be the best choice by far, simply because we were not treated as just another wedding couple. Specifically, every time we visited with a question or query, or to show friends and relatives the wedding venue, we were received with a warm welcome and genuine smiles – throughout the whole hotel.

Nothing was too much trouble – so for us it was an easy choice.

Our wedding day experience was truly fantastic; it exceeded all our expectations. Everything happened so smoothly, on one hand the staff were there to help our guests and on the other they were unobtrusive but clearly enjoying hosting the occasion. The hotel listened to and worked around our wishes, the town of Arundel provided excellent wedding photo opportunities and this all added to our big day.

The wedding breakfast was lovely, our guests and families with their differing dietary needs were very well catered for, and all had a lovely time. The character and ambience of this quite historic hotel was charming; the rooms were comfortable, the wedding suite was romantic – with rose petals and other loving touches everywhere. Many guests didn’t want the occasion to end so it really is a big thank you to the Norfolk Arms for their part in making our day so wonderful and unforgettable.”

I just wanted to thank you all for making our day so special. The staff were all wonderful and so helpful. Our guests thoroughly enjoyed themselves and I wouldn't hesitate to recommend you to other couples.

Kind regards

Simon & Sarah

Thanks it was an awesome day. We would be more than happy to forward a few pictures once our photographer has worked her magic and we have them back.

We were very happy with how well Tanya delivered the service and the setting and staff were awesome. As with all big events you will always find small faults and issues but all in all we were extremely happy with the whole day and the way we were looked after by you and the staff.

The food was awesome. More than enough and well presented. Taste Variation was just right as was temperature. We couldn’t fault the spread at all. Big thank you to chef!!
